Subject: Request for Site Access
TDD No. F3-9005-36
Valley Forge Army Hospital
Phoenixville, Pennsylvania

Dear Dr. Trohoski:

This letter is in response to your discussion with [REDACTED], of this office, on May 17, 1990. NUS Corporation is under Contract No. 68-01-7346 to provide technical and management services to the United States Environmental Protection Agency (EPA) in support of investigative activities at selected uncontrolled hazardous substance disposal sites. In this support capacity, we have received a work assignment to perform a site investigation as outlined below.

Please consider this a formal request for obtaining site access for Tuesday, May 29, 1990 to the Valley Forge Army Hospital property in Phoenixville, Pennsylvania. The purpose of this request is to conduct a preliminary assessment of the property in order to assess the need for further action by EPA. Work to be performed at the property consists of walking the area, observing the on-going procedures, taking photographs, and obtaining background information regarding waste-handling practices.

The statutory basis for this inspection is contained in the attached Letter of Introduction, provided by EPA for the project team leader, [REDACTED]. Peter Wiczorek, of the United States Office of Education, has requested that you forward a copy of this letter, along with your consent, to his office. If there are any questions, please do not hesitate to contact [REDACTED] or me.
